

# EXPOSURE LIGHTS DUSK'TIL DAWN 2010 INVITATION

Exposurelights.dk would like to invite you and your Team to Exposure Lights MARIN Dusk'Til Dawn the Biggest and Best Night Race in the UK with over 1000 competitors....

## About Exposure Lights MARIN Dusk'Til Dawn 2010

Each year, crowds of spectators gather at the start line ablaze with millions of watts of lights to see riders off to 12 hours of fun in the dark. Throughout the night, riders weave effortlessly through the tall pines on typical unrelenting Thetford sweet single-track, kept on their toes by occasional bomb holes and fierce and friendly competition. The Gary Fisher Podiumkiss

**EXPOSURELIGHTS.DK - MIX PAIRS WINNER.** What an awesome excellent close....nail biting ... fast flowing..Friendly race... The Ellsworth Truth ripped up the course...legs caught fire on the first lap and never went out... The beautiful Irene brought it home in true Exposure Lights fashion... I think less than 4 mins separating the top 3 team....so close...after 12 hours of sweet sweat and blood....so close..... Excellent....this is my favourite race.... Excellent...couldn't have done this without my best friends Irene, Exposure Lights Joystick and Max-Daddy .....Excellent.... A very excited *Charlie Eustace*

The Bluesteel Look

**SALSA FACTORY RACING - 3-WOMAN WINNING TEAM:** Course really flowed and was fantastic. Epic course, few bom-holes, lots of people cheering everyone on, great fun.

**DUCATI CORSA WOMENS RACING - WOMEN'S PAIRS:** Brilliant fun, really good but very tiring. Caffeine gels kept me afloat though. We wouldn't have chosen to do 1 lap on one lap off ourselves but in the end it was the best decision. We worked well together, usually on your own you just plod around but knowing that you're in a team and you don't want to let them down can freak you out a bit but it worked out alright in the end. It was a straightforward course with nothing too severe out there. We had a really good start, we had a clear run and worked out well, being consistent we made up the time and obviously consistency is king!
